

APPENDIX G

**SAMPLE FORMAT FOR MEDICAL EVACUATION MISSION
REQUEST AND AFTER-ACTION RECORD****G-1. General**

Once the medical evacuation mission is completed, an after-action record of this mission should be maintained. The information contained in this sample record provides historical data and lessons learned information. This information can be used as a management tool for ensuring that medical evacuation missions are properly equipped and performed in a timely manner. Further, the record

provides information on the patient's condition and procedures accomplished which may have bearing on either administrative or legal proceedings.

**G-2. Sample Format for Medical Evacuation
Mission Request and After-Action Record**

The sample format depicted in Table G-1 may be revised to meet the needs of the command and included in the unit SOP.

SAMPLE FORMAT

Table G-1. Medical Evacuation Mission Request and After-Action Record
